WORK EXPERIENCE

FREELANCE

Video Editor

Remote

November 2025 - Present

- Short-Form Content & Ad Production:** Specialized in editing high-performing short-form videos and direct-response e-commerce advertisements to drive audience engagement and digital marketing goals.
- AI-Enhanced Workflows:** Integrated advanced AI generation and editing tools, including HeyGen, ElevenLabs, Higgsfield, Nanobanana, and Flow to synthesize audio, generate visual scenes, and optimize post-production efficiency.
- Creative Strategy & Execution:** Evaluated creative briefs, structured engaging video hooks, and generated targeted visual B-roll concepts to optimize performance for video ad variations.

NEXUS CLOUD IT SOLUTIONS INC.

IT Support Intern, Team Leader

Ortigas Center

July 2025 - September 2025

- Leadership & Team Management:** Successfully led an OJT team, managing daily operations, delegating tasks, and maintaining attendance records to ensure team productivity.
- Hardware & Network Diagnostics:** Performed routine inspection, testing, and status reporting for essential IT infrastructure, including cables, sockets, switches, routers, and computer systems.
- Technical Event & Customer Support:** Provided hands-on excellent IT and customer-facing support during high-value technical webinars, assisting with event logistics, assisting instructors, configuring participant systems, and ensuring a positive learning environment for all participants.
- Customer Acquisition & Advertising:** Collaborated on the creation of creative and engaging advertisements for webinar services, contributing to increased customer interest and engagement.
- Social Media Management:** Developed and executed a daily content calendar for key social media platforms (YouTube, Facebook, TikTok), including content creation and account management to build an online presence.

LouiseLand Enterprises

Part-Time - Logistics & Fulfillment Associate

Sta Mesa, Manila

October 2024 - January 2025

- Order Fulfillment:** Accurately picked, checked, and packaged products based on customer orders, maintaining a high standard of quality control.
- Logistics Coordination:** Efficiently managed the dispatch process by preparing shipments and coordinating with drivers to ensure timely deliveries.
- Documentation & Communication:** Managed and organized documentation, including sending proof-of-packaging confirmations to buyers to ensure transparency.

NEXUS CLOUD IT SOLUTIONS INC.
